

PACE SETTER AGREEMENT

A Pace Setter donor to the "Let's Write the Future" campaign is a Mason whose five-year pledge of \$10,000 or more sets an example of charitable leadership by supporting our efforts by October 19, 2018. These Pace Setter gifts will truly lead our fraternity as we make a difference in the lives of vulnerable children and fraternal family members.

I would like to be recognized as a Pace Setter donor. Enclosed, please find the first installment of my five-year pledge (please send by October 31, 2018).

Gifts of \$10,000 to \$100,000 may be made as five-year pledges. There may be significant tax advantages to making your gift with appreciated securities. Please consult your financial advisor regarding gifts of stock.
