# In Loving Memory of **Peter Seidler**

Padres Owner & Chairman Peter Seidler was the guiding light behind the Padres' community support efforts throughout his leadership of the franchise. His caring spirit for the community and those less fortunate will continue to lead the Padres into the future.

The Peter Seidler Legacy Fund was created within the Padres Foundation to honor the beloved Padres owner, philanthropist and humanitarian and continue his good work on behalf of those less fortunate in the San Diego and Northern Baja communities. The Fund will support projects dear to Peter's heart, including underserved youth, health and wellness, education and those impacted by homelessness. Donations to the Fund can be made by visiting [www.padres.com/legacyfund](http://www.padres.com/legacyfund). All donations (up to \$1 million) will be matched by the Padres Foundation, Padres players, Padres ownership, and the Seidler family. As a result, each dollar raised will yield \$5 to support projects in underserved communities.

### MAKE-A-WISH SAN DIEGO

The Padres are proud to partner with Make-A-Wish San Diego and are instrumental in helping grant milestone wishes at Petco Park. In 2023, the Padres helped grant the organization's 5,000th wish. The Padres assist in providing wishes to children with life-threatening medical conditions by enriching the human experience and providing the families with strength and joy. In addition to helping grant wishes, the Padres host "Make-A-Wish Mondays" where Wish kids enjoy a day at Petco Park meeting their favorite Padres.

### YOUTH ASSISTANCE COALITION

The Padres work closely with the Youth Assistance Coalition (YAC). YAC positively impacts the lives of youth experiencing homelessness through empowerment, mentorship, and community collaboration in order to provide transformative opportunities. Every month members of the Padres front office bring dinner to serve to the youth at the YAC downtown facility. Along with spending time with the youth each month, the Padres Foundation designated YAC as one of the two main beneficiaries for 2023 Dinner on the Diamond, which resulted in a \$250,000 donation.

## **RADY CHILDREN'S HOSPITAL**

Rady Children's Hospital and the Padres have a long-standing partnership. The Padres are proud to support the physicians, staff, and volunteers of the only pediatric-specific hospital in San Diego, by offering unique, uplifting experiences to patients receiving treatment. In 2023, the Padres hosted a group of teens undergoing cancer treatment for a weekend of fun and baseball at the Peoria Spring Training Complex.

## **PADRES BLOOD DRIVE**

In partnership with the San Diego Blood Bank, the Padres annual Summer and Winter Blood Drives support patients struggling with life-threatening medical conditions. The team set a record when more than 850 Padres fans, which included more than 311 first-time donors, donated blood to those in need.

## **PADRES PEDAL THE CAUSE**

Padres Pedal the Cause brings together thousands of cyclists and runners each year to raise money for local collaborative cancer research. Padres Pedal is San Diego's most impactful fundraising experience with over \$18 million raised to date to fund more than 80 innovative research grants targeting all types of cancer.

## Inspiring Children's Education & Mentorship

### SUPPORTING MONARCH SCHOOL'S UNHOUSED STUDENTS

The Padres Foundation has been a leading supporter of the Monarch School and its thousands of unhoused students over the years, providing special support and opportunities as they persevere through the trauma of homelessness.

During the Padres Foundation's annual Back-to-School Shopping spree, presented by Motorola, Padres' staff, players and alumni give Monarch School students one-on-one personal shopping support to help them pick out new clothes, shoes and other essentials to help them through the school year. With the support of Walmart and Chick-fil-A, the students also receive school supplies and a great lunch.

### BASEBOWL 2023

The Padres Foundation and Padres players, led by Josh Hader and Trent Grisham, hosted BaseBowl 2023 at the East Village Tavern+Bowl to benefit the Monarch Schools' effort to provide transportation for its sports teams. The Padres recognize the vital role teachers play in our community. In addition, the five San Diego County Teachers of the Year are recognized and deliver the Ceremonial First Pitch.

To date, 41 baseball or softball coaches have been recognized in five years of the program, including 24 high school baseball coaches, 15 high school softball coaches, and two youth coaches. A Coach of the Year is selected annually from among the Coach of the Week honorees. # SERVE

## Supporting Those Who Serve

For nearly three decades, the Padres have proudly supported our nation's servicemen and women. In 1995, the Padres established the first Military Affairs department in professional sports, earning recognition as the "Team of the Military" throughout the sports world. A comprehensive approach includes collaborating with non-profits to support active duty military, veterans and their families. The Padres host morale-boosting events, offering in-ballpark recognitions and awareness, and actively engaging with the San Diego area's vast military community - the largest concentration of U.S. military personnel in the world.

*Top to bottom: An Air Force C-17 performing a pre-game flyover; Our Military Starting Nine standing at attention with our Padres players for the National Anthem.*

### SUNDAY SALUTES

The Padres honored active duty military members, their families and Veterans on-field in elaborate pre-game ceremonies before every Sunday home game in 2023, which included flyovers by an array of military aircraft from multiple services and a parachute demonstration by the Army's Golden Knights. New this season was the "Hero of the Game" featuring an in-game narrated video montage of a service member, veteran, or family member who had performed heroic and inspiring acts of bravery. Each Hero was presented with a framed United States Flag that had been flown over PETCO Park.

## MILITARY SCHOLARSHIPS

The Padres annually donate thousands of dollars in college scholarships to military members and their families. In 2023, \$15,000 was donated to three recipients in coordination with the Marine Corps Scholarship Foundation, Tailhook Educational Foundation, and Wings Over America Scholarship Foundation.

## PADRES CARE PACKAGES FOR THE MILITARY

The Padres take pride in providing support to deployed forces by curating and distributing care packages to active duty military members around the globe. Care packages and winter coats that fold out to sleeping bags were also donated to struggling local homeless veterans who receive care at Veterans Village San Diego. Padres players, staff, volunteers and sponsors assembled more than 2,000 care packages in 2023.

*Clockwise from top-left: Trevor Hoffman with this year's Marine Corps Scholarship Foundation awardee; Military scholarship awardees with Randy Jones, Trevor Hoffman, and Maggie Coleman; Padres volunteers after assembling CARE packages for deployed Marines.*

## **PADRES ALUMNI & MILITARY SOFTBALL GAME**

Every year, the Padres partner with a military installation to host a Padres Alumni & Military Softball game. In 2023, the Padres joined forces with the Navy Submarine Force. Family, friends and military members stationed in Point Loma were among the crowd and were treated to a complimentary lunch from Hodads.

## **MCRD RECRUITS WELCOMED AT PETCO PARK**

In partnership with USAA, the Padres host approximately 3,400 Marine Corps recruits at the ballpark prior to graduation each year. Attending a game at Petco Park is a monumental moment for these recruits as it is their first time out in public wearing their military uniforms. During the fifth inning, these men and women are introduced and recognized for excelling through boot camp and committing the next several years of their life to their country.

## **PADRES BABY SHOWER FOR MILITARY MOMS-TO-BE**

In collaboration with Nuna and the Drew Pomeranz family, the Padres Foundation organized a heartwarming baby shower at Petco Park for young enlisted service members and the spouses of deployed service members. This annual event offered essential support during a pivotal moment in their lives. Each family was surprised with a Nuna stroller and carrier.

They also contributed to their local charity partners throughout the year, most notably through the Hats Off Their Heads online auction of game worn and player-issued Independence Day Ballcaps which generated \$27,000, including a \$10,000 donation from Blue Shield of California for homeless and housing insecure veterans supported by Veterans Village of San Diego.

## **PADRES SALUTE SAN DIEGO'S FIRST RESPONDERS**

The Padres are proud to celebrate, honor and thank San Diego's first responder community. To recognize these men and women who serve the citizens of San Diego bravely and selflessly, the Padres designate six home games as First Responder Appreciation Games, bringing well-deserved attention to the hard work and service the various departments provide as well as the inspiring stories of heroism. The Padres' support for San Diego's first responders comes in many forms, such as on-site visits, on-field recognition ceremonies and financial donations. First Responder Appreciation Games are dedicated to all first responder departments throughout the City and County of San Diego, including the San Diego Police Department and other county police departments, San Diego County Sheriff's Department, San Diego Fire-Rescue Department, California Highway Patrol, Customs & Border Protection, Red Cross, FBI, DEA and other organizations on the front line of service to our community.

# Players in the Community

## PLAYERS' COMMUNITY TOUR

Prior to the start of the 2023 season, the Padres organization spent a day making surprise visits around San Diego to thank the community for its support. Players, coaches, staff and alumni boarded buses and headed out from Petco Park to destinations throughout San Diego County and surprised students in schools, hospital workers, first responders, military, and others walking through the Gaslamp, Little Italy and Third Avenue in Chula Vista to thank San Diegans for the tremendous support the team receives at the ballpark. Participating players included Xander Bogaerts, Jake Cronenworth, Yu Darvish, Josh Hader, Manny Machado, Joe Musgrove, Juan Soto, Robert Suarez and Fernando Tatis Jr., among others.

# Diversity, Equity & Inclusion

## CELEBRATING DIVERSITY WITH JOHNNY RITCHEY SCHOLARSHIP PROGRAM & BREAKING BARRIERS FORUM

The Padres' Johnny Ritchey Scholarship program was created in 2020 to make annual awards to local high school seniors from underserved areas that embody the characteristics and qualities Ritchey displayed on and off the field, including the capacity to overcome adversity and break barriers academically, athletically or in the community. Ritchey, a San Diego native, broke the color barrier in the Pacific Coast League after being signed by his hometown team in 1948. At a time when Major League Baseball was not yet in the Western United States, Ritchey was the first – and often the only – Black player on the field in ballparks throughout the West Coast.

The Padres Foundation, in partnership with the California Masons Foundation and Reality Changers, awards 10 scholarships valued at \$10,000 each (\$2,500 renewed annually) to students that have encountered and, more importantly, overcome significant personal adversities in their life and have used these challenges to strengthen themselves in their pursuit of higher education.

The Padres with the support of San Diego Gas & Electric and the "Going to Bat for San Diego program" created the Breaking Barrier Forum in 2022 as an opportunity for high school students to hear stories of "breaking barriers" and overcoming personal adversity as Johnny Ritchey did in his life from community and business leaders and professional athletes.

Top to bottom: The 2023 Breaking Barriers Forum took place at San Diego High School, alma mater of Johnny Ritchey, and was kicked off by Padres CEO Erik Greupner; The Forum panel featured (L-R) Billy Bean, MLB SVP and Special Assistant to the Commissioner; Navy Captain Amy Bauernschmidt, Commander, USS Abraham Lincoln, and Padres Centerfielder Trent Grisham; Johnny Ritchey scholars receiving their checks at Petco Park before a game.

## GOING TO BAT FOR SAN DIEGO

The Padres and San Diego Gas & Electric partnered for the eighth consecutive year on the GOING TO BAT FOR SAN DIEGO giving initiative. Among the many key giving opportunities in the program is support for diversity, equity, and inclusion (DE&I) as well as safety-focused organizations. The partnership supports the Johnny Ritchey Breaking Barriers Forum and the efforts of organizations that support firefighters throughout the County, such as the San Diego Fire Rescue Foundation, Firefighter Aid and the San Diego Regional Fire Foundation.

## OUT AT THE PARK

OUT At The Park is a theme game to celebrate and welcome the LGBTQ+ community to Petco Park to cheer on their team. A portion of every OUT At The Park ticket in Pride's sections goes to San Diego Pride, a year-round education, advocacy, and arts and culture organization that fosters pride, equality and respect for the LGBTQ+ community. Out at the Park is the largest of the Padres' community and heritage games.

Members of the Padres front office join the San Diego Gay Men's Chorus and San Diego Women's Chorus to sing the National Anthem during OUT at the Park.

Top to bottom: Comunidad winners posing with their checks during Hispanic Heritage Weekend at the ballpark; Tony Gwynn Community All-Star Program winners and grant recipients.

## **COMUNIDAD AWARDS**

The Padres honored the recipients of the 12th annual Comunidad Awards, which recognize and pay tribute to individuals or organizations whose work has made a positive impact on those who live and work in San Diego's Hispanic community. The Padres Foundation donated \$25,000 total to five charitable organizations in honor of the recipients.

## **TONY GWYNN COMMUNITY ALL-STARS**

Padres Hall of Fame outfielder Tony Gwynn was known as "Mr. Padre" for his on-field excellence and leadership in the San Diego community.

The Tony Gwynn Community All-Star Program was created to recognize and honor San Diego's youth who follow in his footsteps and support their local community. The Padres recognize nine students ages 18 and under who are working with a local non-profit organization to support underserved segments of our community. The Padres Foundation issues grants (\$45,000 total) to support their efforts.

## MEXICO CITY BASEBALL CLINIC

On April 28, 2023 the Padres visited Liga Olmeca, a baseball and softball academy for youth in Mexico City. They help hundreds of families through a program that helps with shelter, education, work and food. The Padres have sponsored a family for each of the last four years and help build new homes with front office volunteers.

## **HISPANIC HERITAGE MONTH/WEEKEND**

The Padres embrace Hispanic Heritage Month by celebrating with a multitude of activities. In 2023, the Tijuana Little League team was invited to a game after advancing to the Little League World Series.
